

*Modular
Efficient
Elegant*

The Steel 4.0 - 5.0 furniture range includes a wide variety of units with which to personalize your office. Whatever your requirements may be, this high-performance collection offers all-round comfort and diversity within a single visual identity.

Steel 4.0 desks have a structural beam which incorporates a built-in cable trough for effective cable management. In contrast, Steel 5.0 desks favour a structural modesty panel for enhanced privacy and comfort.
